ROCKINGHAM COUNTY REPORT

Delegation Meeting
Wednesday, January 11, 1967
2:00 P.M.
Wildlife Room
State House
Concord, N.H.

The meeting of the Rockingham County Delegation held for the purpose of organization was called to order by Charles H. Gay, the former Vice Chairman. The first item of business was the election of a Chairman for two years, and Mr. Gay asked Miss Spollett to preside. Mr. Roy Morrill nominated Mr. Charles H. Gay of Derry. This was seconded by Mr. Hayford and Mr. Peever. There being no further nominations, Mr. White moved that nominations close and by motion of Mr. Morrill the former clerk was directed to cast one ballot for Mr. Gay. This being done, Miss Spollett declared him elected.

Anticipating a request for a vote by ballot in the selection of a Vice Chairman, the Chairman requested the clerk to call the roll. There were 55 members present from the delegation which consists of 63 members. Mr. James Leavitt nominated Mrs. Elizabeth Greene of Rye as Vice Chairman, seconded by Mrs. McDonough. Mr. Lyman Collishaw nominated Mr. Nelson Barker of Stratham, seconded by Mr. Sewall. Mr. Morrill moved that nominations cease and that a vote by ballot be taken. A result of the ballot found 27 votes for Mrs. Greene and 26 votes for Mr. Barker. Mrs. Greene was declared elected and Mr. Barker requested that the vote be recorded as unanimous.

Nominations were called for a Clerk. Mr. Morrill nominated Mrs. Edna Weeks, and there were several seconds. Mr. Peever requested that, as a recognition to the party of the opposition, a member of the Democratic party should be nominated. Mrs. Sadler nominated Mr. John Twardus of Newmarket, seconded by Mrs. Gerber. A vote by show of hands disclosed a clear majority for Mrs. Weeks, and she was declared elected.

The Chairman requested that the Clerk read the report of the nominating committee for the selection of an Executive Committee. The following report was read:

CHAIRMAN: Roy Morrill, Salem
Doris Spollett, Hampstead Jeanette Gelt, Salem
Lyman Collishaw, Exeter Hayford Kimball, Derry
Mildred Palmer, Plaistow William Keefe, Portsmouth
Clayton Osborne, Portsmouth Herbert Casassa, Hampton
F. Albert Sewall, Newmarket F. Leroy Junkins, Exeter

Mr. Barker moved that the report of the nominating committee be accepted and that the Clerk cast one ballot for the slate as read. This motion was seconded by Mr. Collishaw, and so voted. The Chairman declared the members of the Executive Committee elected and introduced them to the members of the delegation.

Mr. Twardus and Mr. Dame were asked to escort into the room the Rockingham County Commissioners, Mr. Bartlett and Mr. Hall, who had requested to attend this meeting. They reported that it had been necessary for them to borrow \$50,000.00 to meet the current payroll and their work load required the hiring of an extra girl in the office. They answered several questions regarding county business including the status of the Exeter Court House.

The Chairman announced that there would be a meeting of the Executive Committee immediately following the adjournment of the delegation meeting. There being no further business, the meeting adjourned at 2:30 P.M.

The meeting of the Executive Committee was called to order immediately. The Commissioners presented an application to borrow not in excess of \$300,000.00 in anticipation of taxes. Mr. Collishaw moved, seconded by Miss Spollett, that this request be approved. It was done so by a voice vote. The meeting then adjourned.

New County Building

Exeter, N.H.

The Executive Committee held a meeting at the time and place above named for the purpose of studying the budget which the Commissioners are preparing for presentation at the public hearing.

Present were: Casassa, Collishaw, Gay, Gelt, Greene, Hayford, Junkins, Keefe, Morrill, Osborne, Palmer, Spollett and Weeks. Also present were the three County Commissioners.

The meeting was opened by the Chairman of the Delegation who immediately turned it over to Mr. Morrill as Chairman of the Finance Committee. Each item in the budget was discussed. A report was given showing the exact costs under the new cost accounting system for patients at the Mitchell Hospital for \$12.16 per day at Fernald Building for \$8.70 per day and at the Underwood Building for \$5.56 per day. This is for complete care. The cost per meal averages \$.53 while the average in most New Hampshire hospitals is \$.97. This discussion was in connection with a bill pending in the legislature which will ask the state to pay exact costs of welfare patients in institutions where exact costs can be established.

On motion by Mr. Casassa, seconded by Mr. Collishaw, it was voted to authorize the Commissioners to purchase 50 all-steel folding chairs for use at public meetings. The cost of the chairs and a rack for them not to exceed \$300.00. In the motion was included the proviso that if the Exeter Court House is sold, the money for the chairs shall be taken from this account.

Mrs. Palmer moved that the item of \$50,000.00 be included in the County Budget for consideration at the public hearing and at the County Delegation Meeting as a new program in Nursing Service. The Commissioners to release to news media some explanation and publicity on this proposed service prior to the public hearing. The motion was seconded by Miss Spollett and voted in the affirmative.

A calendar of programs was set up as follows:

January 31 - the budget and financial statement to be mailed to members of the delegation.

February 13 - 7:30 P.M., public hearing on the budget.

February 20 - Executive Committee meets to make recommendations.

March 6 - full delegation meeting for action on the budget.

The Commissioners were requested to leave the meeting while a discussion ensued regarding an increase in their salaries. Mr. Casassa moved that the necessary legislation be introduced to establish the salaries of the three County Commissioners in Rockingham County at \$4,000.00 per year for each. The motion was seconded by Mr. Collishaw and a majority voted in the affirmative.

The meeting adjourned at 1:00 P.M., and lunch was enjoyed at Taylor's Restaurant.

Public Hearing

Monday, February 13, 1967

7:30 P.M.

Court Room

Exeter Court House

Exeter, N.H.

There were approximately seventy-five in attendance at the public hearing held for the purpose of discussing the county budget for 1967 as presented by the County Commissioners.

Mr. Roy Morrill, as Chairman of the Finance Committee, presided. Other members of this Committee in attendance were: Mr. Casassa, Mr. Collishaw, Mr. Gay, Mrs. Gelt, Mrs. Greene, Mr. Junkins, Mr. Osborne, Mrs. Palmer, Mr. Sewall, Miss Spollett and Mrs. Weeks.

Each item of the budget was presented with ample opportunity given for questions. Mrs. Holland presented a pictorial display of her work and explained the operation of her department with particular emphasis on the desirability of continuing her program of

restoration and reproduction. The Register of Probate, the County Treasurer, the Clerk of Court, the Superintendent and Matron of the County Home and Hospital, the County Agricultural Agent, and the County Commissioners were in attendance and willingly answered all questions directed to them.

Considerable interest was expressed in the new item in the budget to establish a family nursing service on a county basis. The money will be used to hire a coordinator for the program, stenographic help, and two full-time registered nurses, and four part-time nurses. A charge will be made to those families taking advantage of the service who are able to pay. Requests for service will principally be made through doctors. There was some doubt expressed by those towns presently supporting a nursing service as to whether they must pay by way of county taxes for this program.

The meeting adjourned at 11:00 P.M.

Public Hearing
Wednesday, February 15, 1967
One half hour after adjournment (1:30 P.M.)
Room 100
State House
Concord, N.H.

A public hearing on HB 124 an act to increase the salary of Rockingham County Treasurer was called to order at 1:30 on February 15th by the Delegation Chairman, Charles Gay.

Mr. Osborne, the sponsor of the bill, spoke in favor. No one appeared in opposition and the hearing on the bill closed at 1:36 P.M.

Immediately the public hearing on HB 210 was opened.

Mr. Ferron, the sponsor, spoke in favor. Mr. Sampson, the County Sheriff, explained the legislation in more detail and answered many questions. Commissioners Bartlett and Hall spoke in favor of the bill.

Mr. Jack Sanders, speaking for himself and his law partner Mr. McDermott from Hampton spoke in opposition. The main point of opposition seems to be in the question of being allowed the freedom to choose the deputies they prefer because of the personal service which they can give.

Mr. Francis Frazer of Exeter, speaking for himself and as a member of the firm of Frazer, Shute and Engel, spoke in opposition.

Mr. Robert Shaw, an Exeter lawyer, spoke at some length in opposition.

Mr. Edward H. Lawrence spoke in favor of the efficiency which he felt would be gained under the proposed new system but expressed some concern that this legislation would result in an increase in over-all cost to the county.

Mr. Sampson spoke a second time.

The hearing closed at 2:55 P.M.

Executive Session
Rockingham County Delegation
Wednesday, February 15, 1967
2:55 P.M.
Room 100
State House
Concord, N.H.

The Rockingham County Delegation was called into executive session immediately following the close of the hearing on HB 210.

The clerk called the roll, and a quorum was declared to be present.

It was moved by Mr. Junkins, seconded by Mr. Keefe, and voted affirmatively that votes taken on HB 124 and HB 210 should be by written ballot. Mr. Casassa moved to amend HB 124 by changing the effective date from July 1, 1967, to January 1, 1968. The motion was seconded by Mrs. Greene and so voted by voice vote. Mr. Jameson desired to be registered in opposition.

The written votes having been cast and counted, HB 124 is to be reported as "Ought to Pass as Amended."

Mr. Osborn moved that action on HB 210 be postponed until a later date. Mr. Dame seconded the motion commenting that several persons particularly interested in the bill were absent. Mr. Keefe spoke in opposition to the motion and the motion was withdrawn.

Mr. Morrill moved that a subcommittee of five be appointed to further consider the costs which will be incurred by this legislation and further investigate some of the factual statements presented at the public hearing. This motion was seconded by Mr. Keefe and adopted by voice vote. Named to the Committee was Mr. Morrill, Chairman; also Mr. Barron, Mr. Jameson, Mr. Cummings and Miss Spollett.

Commissioner Bartlett announced that the Attorney General had ruled that all towns and cities must participate in the county nursing service program and no rebates would be allowed to those cities and towns maintaining an independent service.

Meeting adjourned at 3:15 P.M.

Edna B. Weeks, Clerk

The Executive Committee of the Rockingham County Delegation met February 20, at the County Home with these members present: Gay, Greene, Morrill, Spollett, Junkins, Palmer, Collishaw, Sewall, Keefe, Osborn, Kimball, Gelt, Casassa. Meeting called to order at 10:15 by Chairman Gay and turned over to Morrill.

All department heads appeared before the Committee and explained their budget requests in detail. Attorney Sanders presented a request from the Rockingham lawyers group for \$2200.00 in 1967 for the law library.

Moved by Palmer, seconded by Greene, voted that a sub-committee of 3 be appointed to bring in a proposed uniform pay scale for all county clerical workers for use in 1968 budget preparation. Chair appointed Palmer, Spollett and Casassa.

Moved by Spollett, seconded by Keefe, voted that it be recommended that the Sheriff's secretary be raised to \$70.00 per week.

Moved by Spollett, seconded by Keefe, voted to recommend a 5% raise to all county clerical workers.

Moved by Osborn, seconded by Casassa, voted to recommend approval of the special appropriation for the Registry of Deeds.

Moved by Keefe, seconded by Kimball, voted to recommend deletion of the \$50,000.00 item for a nursing service from the budget.

Motion by Osborn, seconded by Junkins voted to recommend adoption of the proposed budget as amended.

Adjourned at 3:50 p.m.

Public Hearing

HB 164

HB 99

Executive Session

March 1, 1967

1:05 P.M. (One half hour after adjournment)

Room 100 - State House

Concord, N.H.

A public hearing on HB 164, an act relative to appointment of deputy treasurer of Rockingham County, was held at the time and place above named. The sponsor of the bill, Mrs. Palmer, spoke in its favor explaining that the bill changes the appointing authority from the superior court to the County Commissions upon recommendation made by the County Treasurer.

No one appeared in opposition, and the hearing closed at 1:20 P.M.

The hearing was immediately called on HB 99, an act relative to the amount of fees to be collected by the register of deeds for Rockingham County. Mr. Ferron, the sponsor of the bill, offered an amendment to the bill and spoke in favor of the bill as amended. Mrs. Holland, the Register of Deeds in Rockingham County, was present and was recognized to explain in somewhat more detail the purpose of the bill.

Mrs. Richardson D. Benton, the wife of the Chairman of the Board of Selectmen of Chester, read a statement from her husband in favor of the bill as amended.

No one spoke in opposition to the bill, and the hearing closed at 1:40 P.M.

EXECUTIVE SESSION

The Rockingham County Delegation was immediately called into Executive Session. The clerk called the roll and declared a quorum to be present.

Mr. Osborne moved, seconded by Mr. Twardus, that HB 99 be reported "Ought to Pass as amended". By voice vote, the motion was approved.

Mr. Dame moved, seconded by Mr. Junkins, that HB 164 be reported "Ought to Pass". The vote was unanimous in the affirmative.

The Chairman then called for a report from the committee appointed at the meeting of February 15, 1967, to make further study of HB 210. The report was given by Mr. Morrill. In the absence of Miss Spollett and at her request, Mr. Morrill moved in her behalf that HB 210 be reported "Ought to Pass" as written. This motion was seconded by Mr. Leavitt. Mr. Barron moved to make an amendment to raise the salary of the sheriff by a lesser amount, possibly \$1,000 - \$1,200, but to postpone putting the deputies on salary until there is more definite information as to the amount of revenue which will be received by the County from fees. This motion was seconded by Mr. Osborne. Mr. Cummings and Mrs. Morrison spoke in favor of the amendment. Mr. Collishaw moved to make a second amendment making the effective date January 1, 1968. This amendment was seconded by Mr. Underwood. After some discussion, these two motions for amendments were withdrawn. Mr. Casassa moved that HB 210 be referred back to the investigating committee for further study. Motion seconded by Mr. Tarbell, Mr. Dame moved to amend this motion so that only section 2 of the bill would be referred back for further study. This amendment was seconded by Mr. Morrill and adopted by voice vote.

Mr. Casassa then moved that part II of section I be amended to read "In Rockingham the annual salary of the sheriff shall be eleven hundred dollars." This was seconded by Mr. Jameson. On a rising vote, no opposition was expressed.

Mr. Collishaw offered a second amendment to make the effective date January 1, 1968. This was seconded by Mr. Underwood and by a standing vote of 25 to 8 was approved.

Mr. Morrill then moved that HB 210 be reported "Ought to Pass as amended." This was seconded by Mr. Collishaw, and the vote was unanimous in the affirmative.

The committee to which section 2 of HB 210 was referred for further study is Mr. Morrill, Chairman; Mr. Barron, Mr. Jameson, Mr. Cummings, Miss Spollett, Mrs. Greene and Mr. Dame.

The delegation was reminded of the budget meeting to be held on Monday, March 6, at the Rockingham County Home.

The meeting adjourned at 3:10 P.M.

Delegation Meeting

March 6, 1967

10:30 A.M.

Rockingham County Home

Brentwood, N.H.

A meeting of the Rockingham County Delegation was held on March 6, 1967, for the purpose of adopting the 1967 budget. The meeting was called to order by the Chairman, Charles Gay.

The first item of business concerned the sale of the County Court House on Front Street in Exeter. On motion by Mr. Leavitt, seconded by Mr. Twardus, it was voted to rescind the action of the 1965 Delegation in granting permission to the County Commissioners to sell the building for \$50,000. Mr. Casassa moved, seconded by Mr. Twardus, that the Commissioners be permitted to sell the building to the Town of Exeter for \$32,000. The voice was affirmative.

Roll call by the clerk found a quorum present, including: Barber, Casassa, Cheney, Clark, Collishaw, Conlon, Cummings, Dame, Eastman, Fernald, Gaskill, Gay, Gelt, Goodrich, Greene, Griffin, Hall, Hamel, Jameson, Junkins, Keefe, Kimball, Leavitt, Maynard, Archie McEachern, Joseph McEachern, Morrill, Morrison, Osborne, Palmer, Persson, Ratoff, Rossley, Schwaner, Shindledecker, Tarbell, Twardus, Underwood, Varrell, Weeks, George White and Julia White.

The meeting was then turned over to Roy Morrill, the Chairman of the Finance Committee. He reaffirmed the appointment of the Salary Study Committee named at the last meeting of the Executive Committee, and added two members. This committee now consists of Mrs. Palmer, Miss Spollett, Mr. Casassa, Mrs. Rossley and Mr. Keefe. They are to make their report in 1967 prior to the preparation of the 1968 budget.

To the committee studying further action on Section 2 of HB

210 as originally presented at the public hearing on February 15, 1967, were added Mr. Underwood and Mr. Sayre.

Each item of the proposed budget was considered in detail. To the expenses for the Sheriff's Department was added an amount of \$5,000. It is proposed to expend this amount to hire as a deputy sheriff on a part-time basis, the services of a retired Major from the Maine State Police who is now a resident of New Hampshire. He has vast resources of experience and affiliated personnel available to him and proposes to develop schools for the training of local town police who definitely need training in police work.

All other items of the budget were adopted as recommended by the Executive Committee. This includes \$21,334.00 for the completion of the project on restoration and reproduction in the Registry of Deeds and the payment of \$6,000 to the town of Exeter for the sewerage system in the new County Building.

With proper motions and voice votes, it was voted to raise and appropriate the sum of \$1,778,905.67 to be reduced by anticipated revenue of \$706,886.57 with the resulting amount of \$1,073,444.10 to be raised by taxes.

On motion by Mrs. Greene, seconded by Mr. Collishaw, it was voted to reaffirm the position taken by the 1965 Delegation; namely, that pay raises shall be given only after the County Delegation has approved the effective date for such pay raises. Upon request of the County Commissioners, this policy was amended to exclude the registered nurses employed at the County Hospital whose pay raises were effective January 1, 1967.

On motions by Mr. Collishaw and Mr. Kimball, it was voted that from the anticipated receipts for the sale of the Exeter building, expenditures would be made of \$2,200.00 to update the law library of the county attorneys, \$6,000 for the sewerage system, and providing and installing a plaque on the flagpole.

Mr. Gay resumed the Chair and appointed Jeanette Gelt to be Legislative Representative to the Cooperative Extension Service Advisory Council.

Mr. Gay reappointed the existing Building Committee to remain in effect, and added the name of the Chairman, Mr. Gay, to

replace Mr. Donald Ring.

Upon motion by Mr. Leavitt, the meeting adjourned at 12:45 in honor of Mr. Ivan C. Reed and Mr. Montevill Leslie, former members of the Delegation who have died since the opening of the Legislature.

Dinner was enjoyed by the group.

Exeter, N.H.

A meeting of the Executive Committee of which not all members were notified was held on Monday, May 8, 1967, at the Court House. Present were: Morrill, Spollett, Collishaw, Gelt, Pal-

mer, Osborne, Junkins, Sewall, Kimball, and Keefe.

The items of expenditures in the first quarter were reviewed, discussed, and approved.

It was moved by Mr. Casassa, seconded by Miss Spollett, and so voted, that the sale of the old Exeter Court House be put out to bid; an advertisement to be carried in the BOSTON GLOBE the MANCHESTER UNION LEADER, and the PORTSMOUTH HERALD. This notice shall include "the right to reject any or all bids."

A discussion was held concerning the desirability of County employees joining the New Hampshire State Retirement System. The matter will be presented to the entire delegation at a later date.

Discussion ensued regarding mileage. On a motion by Mr. Collishaw, seconded by Mr. Keefe, it was voted that mileage cards for each member be made up by the Commissioners giving distance to Exeter Court House and distance to County Home from the home of each member.

The meeting of the Executive Committee then adjourned.

Special Meeting
Rockingham County Delegation
Executive Action
Room 100 - State House
Concord, N.H.
June 2, 1967 - 1:00 P.M.

The meeting was called to order at 1:10 by Chairman Gay.

Rep. Keefe asked for reconsideration on HB 520, an act increasing the salary of the County Attorney, the motion was seconded, but the voice vote was negative.

A review of the bills which have been assigned to Rockingham County Delegation for consideration was given by the Chairman. HB 268 and HB 375 have been withdrawn by their sponsors. All other bills have been properly processed.

The offer from the United Church of Christ in Exeter, New Hampshire, for the purchase of the former Rockingham County

Court House for \$20,000 was read. On motion by Rep. Osborne, seconded by Rep. Morrill, it was voted that any action on this matter be postponed until results are forthcoming from the advertisements authorized at the last meeting of the Executive Committee.

Rep. Morrill asked reconsideration of HB 399, an act increasing the salary of the County Commissioner of Rockingham County. His request was ruled out of order.

On motion by Rep. George White, the meeting of the delegation adjourned at 1:25 P.M.

Rockingham County Building

The meeting of the Executive Committee of the Rockingham County Delegation held at the County Home on July 23rd was called to order by the Chairman, Roy Morrill.

Present were: Morrill, Spollett, Osborne, Junkins, Gelt, Collishaw, Gay, Greene, Weeks, Sewall, Kimball, Keefe, and Casassa, also the three County Commissioners.

Each item of budgeted expenditures was considered. It was noted that the items for Office Supplies & Postage and for Care and Supplies for the Exeter Court House will be overexpended at the end of the year. The comment from the Commissioners was, "It's a more expensive operation than we anticipated." A request was made that a line item breakdown of expenditures in these categories be prepared for the next quarter.

A letter from the Rockingham County Selectmen's Association was read regarding a sheriff cruiser being on duty - patrolling - during the night hours and requesting an expression of approval from the Executive Committee for such a program. The proposed procedure will allow the Sheriff's Department to have a continuous

policing activity beyond the hours of usual employment. Two cruisers will travel throughout the county after the State Police have gone off duty. A motion was made by Mrs. Gelt, seconded by Miss Spollett, that the Committee go on record as being in favor of this program as outlined by the Rockingham County Selectmen's Association. Mr. Casassa moved that action on the proposed program be laid on the table and that a study committee be appointed to make an immediate study and report to the Executive Committee within a month. The vote taken was negative. At the request of the chairman, the vote on the pending motion was deferred until further interrogations of and explanations by the Sheriff were made at the afternoon meeting.

In regards to the items under County Home and Hospital, there was a question as to what constituted receipts. This information was supplied and is on file with these minutes.

It was noted that the amount appropriated for Direct Relief will be insufficient. On motion by Mr. Osborne, it was voted to allow the County Commissioners to make the necessary transfers to the account for Direct Relief to carry them over the next three months.

All items having been discussed, Mr. Keefe moved that the expenditures as presented by the Commissioners be approved. The motion was seconded by Mrs. Gelt and voted in the affirmative. The receipts for the second quarter were also approved by vote.

The clerk was requested to notify Mrs. Palmer that inquiry was made concerning the Salary Schedule Committee of which she is chairman, and request that she proceed to get this study under way as soon as possible. She was asked to include the County Home and Hospital in the study and to confer with Mrs. Hilton.

The Committee reported that there had been no answers to the advertisements on the sale of the old county building in Exeter. It was agreed that the restrictions previously in effect on bids be removed and that the Commissioners proceed to find a purchaser, confined only to the zoning ordinances of the town of Exeter.

At twelve o'clock the meeting recessed for dinner.

At 1:30 the meeting reconvened at the Rockingham County Court House. Mr. Sewall and Mr. Keefe were excused for absence.

The first item of business was a visit to the office of Frank Nay to view a new copying machine. The group then met with Edward Upham to consider replacing a mimeograph machine which was purchased in 1956. The group went to the Court Room where a discussion with George Sampson took place as to the question tabled at the morning session. Mr. Donald Herron the director of the police training school being held in the county was also present. Also present was Mr. Paul McLane an instructor in the school. He is from the Federal Bureau of Drug Use Control and had on display a most interesting exhibit of drugs.

The group met in the Office of the Commissioners for an executive session. A reporter from the Portsmouth Herald requested a release of the half year expenditure figures. By vote of the committee, he was referred to the Chairman of the Board of County Commissioners for these figures.

On motion by Mr. Casassa, seconded by Mr. Osborne, it was voted to give Mr. Nay authority to purchase, within his budget, the required machine.

On motion by Mr. Junkins, seconded by Mr. Kimball, it was voted that Mr. Upham and the Commissioners negotiate with the A.B. Dick Company for the installation of a machine with a deferred balance of payment.

Mr. Casassa made the motion, seconded by Miss Spollett, that the Sheriff's Department be given the authority to carry out the plan as outlined by Mr. Sampson, providing that the necessary \$6,000. can be kept within the budget of his department. The vote was affirmative. An affirmative vote was also taken on the motion deferred from the morning session, that an expression of approval be made of the program.

The meeting adjourned at 3:00.

Rockingham County Home
Brentwood, N.H.

A meeting of the Executive Committee of the Rockingham County Delegation was held at 10:00 A.M. on Oct. 25th at the Rockingham County Home and Hospital in the office of Superintendent Hilton.

Present were: Morrill, Gay, Greene, Weeks, Collishaw, Kimball, Keefe, Osborne, Palmer, Junkins, Sewall, Spollett, and the three County Commissioners.

The various items of expenditures and receipts for the third quarter were considered in detail. This detailed examination disclosed that it was evident that shortages would exist before the end of the year in the accounts of; Expenses of Officers, Exeter Court House, Jail, Old Age Assistance, Board and Care of Children, Direct Relief, and Medical Referee. It was noted that the areas in which deficits have developed have been those over which the Executive Committee and the Commissioners have no direct control.

The motion was made by Osborne, seconded by Collishaw and voted in the affirmative, to authorize the County Commissioners to make necessary transfers of unexpended funds from one department to another.

The Positions Committee made a report of its activities to date. Mr. Lang of the State Personnel Dept. had offered guidance in supplying personnel forms. These were submitted to the employees. They will be evaluated by Mr. Winship an employee of Mr. Lang's department. The Committee has not yet considered these forms but will do so soon and prepare a complete report for the Executive Committee. Acknowledgment for state services will be made after the work is completed.

A tentative date of Friday, Nov. 17, was set for a meeting of the delegation at which time the items on the agenda will include;

1. The sale of the Exeter Court House

2. Sale of land in the rear of the new County Building. On motion by Osborne, the Executive Committee voted to go on record as being opposed to the sale of this piece of property.

3. Retirement of County Employees.

The meeting adjourned at 11:50.

Rockingham County Delegation

Friday, Nov. 17, 1967

10:30 A.M.

Rock. Co. Home & Hospital

Brentwood, N.H.

The meeting of the Delegation was called to order by Chairman Gay. The following members answered to the roll call: Casassa, Cheney, Cibrowski, Clark, Dame, Eastman, Ferron, Gay, Goodrich, Gorham, Greene, Griffin, Hoar, Jameson, Junkins, Keefe, Kimball, Maynard, McDonough, Joseph McEachern, Morrill, Osborne, Palmer, Persson, Ratoff, Sayer, Sewall, Shindledecker, Spollett, Tarbell, Tuttle, Twardus, Underwood, Varrell, Weeks, and Leavitt.

The sale of the old County Court House in Exeter was the first item on the agenda. Bids were opened from the Exeter Banking Company in the amount of \$25,100. and from Kevin King for \$26,000. Mr. Keefe moved to sell for \$26,000. to Kevin King as the highest bidder. This motion was seconded by Mr. Kimball. Discussion followed and the Exeter Delegates were requested to express their opinions. Mr. Eastman expressed a desire to have the property sold to the Exeter Banking Company and the others concurred. By request the vote was by written ballot. The result of the ballot showed 28 voting No and 9 voting Yes. The motion was lost. Mr. Morrill moved to accept the Exeter Banking Company's bid and the motion was seconded by Mr. Jameson. Mr. Keefe spoke against the motion. Mrs. Palmer requested that she be recorded as voting in favor of selling the property to the highest

bidder. Mr. Twardus expressed the opinion that "home Rule" should have an influence on the vote and that the wishes of the Exeter Delegates should be respected. Result of the second ballot found 32 voting Yes, 4 voting No and 1 blank. The Chairman announced that the motion to sell to the Exeter Banking Company was carried and shall prevail.

The second item was to consider the sale of a piece of county land to Mr. Marchand. On motion by Mr. Leavitt, seconded by Mr. Gorham, Mr. Lindsey Brigham as counsel for Mr. John J. Marchand, was permitted to address the delegation. He explained the location of the property in question and why Mr. Marchand desired to buy it. Mr. Bartlett spoke in opposition to the sale of this piece of land. The action taken by the Executive Committee at its meeting on Oct. 25 was read. Mr. Morrill moved that action on this item be indefinitely postponed. This motion was seconded by Mr. Gorham and a vote taken by a show of hands was obviously in the affirmative.

Item three was consideration of problems which are arising because of the new State Retirement System as it applies to County Employees. The action taken in 1956 by the then County Delegation was read:

"Resolved that the County of Rockingham hereby revokes its election heretofore made to have its officers and employees become eligible to participate in the State Employees Retirement System, such revocation to be effective with respect to officers and employees who shall enter the service of the County on or after July 1, 1956 and with respect to officers and employees in the service of the County on June 30th 1956 who are inactive members of the State Employees Retirement System."

On motion by Mrs. Greene, seconded by Mr. Keefe, it was voted to rescind the action of the 1956 Delegation. Mr. Morrill moved that further action on this subject be laid on the table until the January meeting of the Delegation and that a committee be appointed to further investigate the problem and make definite recommendations at the January meeting both as to action to be taken and any financial obligation which may be incurred there-

by. The motion carried and the Chairman named the following as members of that committee: Mr. Morrill, Mrs. Greene, Mr. Sayer, Mr. Twardus, and Mrs. Weeks.

As the fourth item on the agenda, Mrs. Palmer gave a report from the Positions Committee. She said the returned reports from the County Employees had been classified by Mr. Winship. Another meeting of the committee is scheduled to consider this classification of employees and the recommendations for adjustments in salary. She stated that in some instances we are in line with the salaries of State Employees and in general there are only a very few discrepancies. Mrs. Greene requested that a complete report from this committee be sent to the members of the Delegation prior to their next meeting.

On motion by Mr. Morrill, the meeting of the Delegation adjourned at 12 o'clock.

Rock. Co. Home
Brentwood, N.H.
Nov. 17, 1967

The Executive Committee, having been notified that there would be an executive session directly following the meeting of the Delegation, was called to order by the chairman. A roll call found only two members (Mr. Collishaw and Mrs. Gelt) absent.

It was voted to comply with the request of the County Treasurer to borrow the sum of five hundred thousand dollars in anticipation of taxes for the year 1968.

The Commissioners called the attention of the Committee to some additional County expenses which would have to be considered at the time of making the 1968 budget. Fire and safety regulations as passed by the 1967 Legislature require additional installations at the County Home and Hospital. The new Residency Law will result in greatly increased costs to the County for the Care of Foster Children and Direct Relief.

At 12:30 the meeting adjourned for dinner.

COMMISSIONER'S REPORT

Rockingham County Commissioners as requested by statute submit the annual report of County Officers for the year of 1967.

It seems that each year the demand for our services becomes greater and as the demand increases so does the cost. This is greatly reflected in our 1968 budget. Somewhere there must be a more realistic approach to the amount of revenue that is returned to the county.

The Rockingham County Administration and Justice Building is proving not only a tremendous improvement in our court rooms and county officers departments but it is also being used by many county organizations for their meetings. Over 200 meetings were held in this building during 1967.

The reclassification of our employees in order to bring them somewhere near the level paid by other government units has been completed and will go into effect in 1968. Employees of Rockingham County are entitled to a fair wage such as are paid to any town, city or state employee.

The Rockingham County Home & Hospital continues to have a long waiting list of elderly patients waiting for admission and with the coming of medicare and medicaid thought should be given to some method for additional space.

As we travel throughout the State of New Hampshire we firmly believe that Rockingham County is the best county in the state only because of the complete cooperation that exists between the county officers and the Rockingham County Delegation and the confidence that the public in our county has in our form of government.

The staff of the entire county organization deserves our heartfelt thanks for their devotion and dedication over the past year.

To The Honorable Board of Commissioners of
Rockingham County

Gentlemen:

This past year has been a busy and productive one.

On July of this year we started a much needed Rehabilitation Program. Mr. Garrett Hull, P.T.R., of Manchester Rehabilitation Center offered his services for three nights a week for planning and organizing the Physical Therapy Department.

During the month of July Mr. Hull treated patients by himself. Starting in August, some of his available time was spent training nursing personnel in techniques of Joint Range of Motion, and a nursing supervisor for directing the day program. In November a nursing aide was transferred to the department, and trained for full time work.

In July, 33 half-hour treatments were given to patients, in December 246 treatments. The total given this year was 726 half-hour treatments. In this period of time half the sunporch on Fernald I has been converted to a P.T. working area, and all patients receiving treatment will be concentrated in this area.

We now have Mr. Hull and two R.N.'s giving part time to the program and one Aide devoting full time. Three R.N. staff members also spent 3 weeks at Crotched Mountain Rehabilitation Center for a concentrated program of rehabilitation nursing during this past year. This new department has also broadened the scope of the Occupational Therapy department in its work and effectiveness, and the overall results are very rewarding to the patient and staff alike.

Much needed orthopedic equipment has been acquired which will enable us to do some necessary orthopedic procedures here, instead of sending all patients to Exeter Hospital for this type of work.

All X-ray, E.K.G. and laboratory work is still being done at Exeter Hospital. In view of the fact that all patients receiving physical therapy should first have an E.K.G. we are hopeful to purchase a machine and have cardiograms done here shortly — another economic measure.

The dental and ophthalmic programs are progressing well, as are other routine prophylactic programs.

The need of a speech therapist and also a social worker are plainly evident in this broadening program, and I recommend that provisions for such should be taken under consideration by the administration.

Dr. Charles DeLuccia of Exeter was added as a regular member of the medical staff in August, after filling in for sickness and vacations during the summer months. I feel he is a valuable addition to the staff and will contribute much to improve patient care. This also gives us much more complete medical coverage for patients.

With the unfailing interest of the administration and enthusiastic cooperation of the hospital staff we have indeed grown in our

concept of good patient care in these past twelve months.

Respectfully submitted,

John W. Blaisdell, M.D.
Medical Director

The continued cooperation of the Board of Rockingham County Commissioners is greatly appreciated in the management of the affairs of the institution.

This has been a year of progress in many areas such as the establishment of a Physical Therapy Department. Our facilities are being taxed to capacity at all times, with a growing list of thirty to forty patients on our list awaiting admission.

The loyalty and contributions made by the members of the staff to the care, peace of mind, and happiness of our patients is an inspiration and we are truly grateful to each and every one.

Our "Volunteer" program has grown over the years and their part in the day to day functioning of the institution is gratefully acknowledged. The part played by the many volunteers has meant so much to our patients in providing outlets and stimulation. The pleasant relationships with other local, County, and State agencies and organizations has, as always, been of inestimable assistance.

Respectfully submitted,

Edith E. Holland, Register

December 29, 1967

Board of County Commissioners
Rockingham County
Exeter, New Hampshire
Gentlemen:

The microfilming and rapid retrieval storage of all the records of the Rockingham Registry of Deeds dating from 1643 to the present were completed in 1967, at a minimal cost. On April 1, 1967, we commenced microfilming and processing the current daily recordings on a 3M Camera completely within the office, with our own staff. This enables a microfilm security copy of all the valuable records to be kept off the premises in case of fire or other disaster, and a microfilm file on the premises.

The in-office microfilm file is used to provide instant paper or duplicate microfilm copies of all deeds and mortgages to the 37 towns and city within Rockingham County. Registry sponsored legislation increased the charge for these copies from 20 cents to 50 cents each and transferred payment of this charge from the communities to the purchaser or mortgagor.

The rapid retrieval of microfilm copies of the records now enables us to provide, at a profit to the County Treasury, a copy of any plan, deed, mortgage, lease, contract, or other instrument recorded in this office instantly. The income from the sale of these copies will gradually increase the receipts of the office which are remitted monthly to the County Treasurer. Rockingham Registry of Deeds is the first office in New England to have all the records available on microfilm and the project has attracted visitors and inquiries from the area.

During the past two years the real estate market has been extremely poor. Some business analysts have even gone so far as to say that we had a recession during 1967. Despite the reduced receipts, all operational expenses of the office, including completion of the microfilm project, were paid for out of the receipts of the office.

In addition, the County Treasury realized a profit of \$12,459.00 towards the expenses of other departments in the building.

The one part of our operation on which I hope to commence

work during 1968, is a modern, alphabetically consolidated index prior to 1961. This is the only remaining area where improvement is immediately and urgently needed. As I stated in the 1966 report, I have researched costs and methods to do this necessary work. I am now convinced that, with sufficient personnel, this project could be accomplished at a minimal cost from the receipts of my office. The cost of the operation of this office is borne by the fees paid by those who use its facilities, not by the taxpayer as is the case in many of the services provided by the county. Those who use and pay for the Registry of Deeds feel justified in requesting a modern office in all respects.

My sincere appreciation goes to my dedicated registry staff whose efforts have enabled me to carry out my aim of increased service to the public, through modernization of the facilities. The co-operation of the commissioners and county delegation in recognizing the need for modern county government has encouraged and enabled my progress in making the Rockingham Registry of Deeds one of the best in the country.

Respectfully submitted,

COUNTY ATTORNEY'S REPORT

Crime in Rockingham County and throughout the United States is at an all-time high and during a period when material advantages have never been so great. Only a portion of this increase may be accounted for by the growth in population.

In Rockingham County between July, 1966 and July, 1967 there were two hundred sixty-one new criminal cases entered in the Superior Court and added to ninety-six other criminal cases which were pending. Two hundred thirty-one of these cases were disposed of. Also, during that period, one hundred Uniform Reciprocal Support cases were processed. In September of 1967, one hundred eight new felony cases were presented to the Grand Jury. This represents, by far, a new all-time high. From August 1, 1967 to December 31, 1967 there were one hundred twenty-five felonies and ninety criminal appeal cases entered. Among the felonies considered during 1967 were three homicides for which one respondent was sentenced to life imprisonment and another three to fifteen years in State's Prison after a guilty plea to first degree manslaughter. One homicide case is still pending.

All of this is occurring during a period when the Supreme Court of the United States has greatly expanded the so-called rights of the individual accused of a crime thereby placing a much greater burden upon law enforcement and compounding the difficulties of apprehending and prosecuting persons suspected of violating the law. As a result, the County Attorney, as sole prosecuting agent for the County, must now direct a much greater portion of his time to arguing Motions to Suppress Evidence, etc., which proceedings often take more time than the actual trial itself.

If we are to meet today's challenge of crime in our free society, local, county and state law enforcement agencies must be strengthened. An emphasis must be placed on better training and to the attracting and retaining of competent, experienced law enforcement officers.

Respectfully submitted,
Glen E. Graper
Rockingham County Attorney

To The Honorable Board of
Commissioners of Rockingham County
Gentlemen:

Following is my report for the year 1967 as Sheriff of Rockingham County:

COMMUNICATIONS - We find that in the year of 1967 our communication system continued to play a major role in public service, protection and general police activities. There are some 85 units associated directly with our communication system. Our tying in with the New Hampshire State Police, the City of Portsmouth, the Towns of Exeter, Derry, Hampstead, Hampton, North Hampton, Rye, Salem, Windham and others has proven to be of great service. We find that through our communication system, we were able in many cases to give ambulance service to injured or critically ill people and, I am sure, in at least three specific cases life was saved through the aid of the communication system.

A check reveals that there are a minimum of telephone calls to and from the Department numbering 150 a day. We had teletype messages in and out of the Department in 1967 numbering 6684. Many of these messages involved contacts in far away places relating to many facets of law enforcement, such as fugitives who were wanted by our state or county. We had communications in excess of 350 which offered assist to other departments for emergency and ambulance service. We had an average of 24 calls a day on our communication system where assistance was required either by our deputies, local officers or towns. We feel that our communication system is the heart-throb not only of this Department but also for providing emergency services and assistance to our many units and towns associated with our network.

ROUTINE POLICE ACTIVITY - Deputies from the Department made 384 arrests ranging from misdemeanors to serious felony charges, as well as 131 arrests on capiases, court orders and legal processes for the Courts. Deputies of this Department turned over to other law enforcement agencies in the county an excess of 200 cases involving drunken driving charges, reckless driving charges,

other motor vehicle violations and criminal type cases. Men of this Department offered assistance on an average of several times a week to distressed motorists whose vehicles had broken down, run out of gas or who for any other reason found themselves in a distressed situation. We find that men of this organization offered 325 assists to other departments in the county and 52 assists to departments outside of our county area. We find that we made 21 arrests of persons who were wanted by other law enforcement agencies.

Stolen property recovered by deputies of this Department totaled \$78,465. This involved motor vehicles, money, articles and property stolen from homes and places of business. A point of interest is that the conviction average of persons arrested for crime by members of this Department in 1967 ran 99%. This figure certainly speaks for itself as to ability and qualification of the deputies making the arrests.

NIGHT PATROL - It was in the year of 1967 that we first instituted the night patrol. The night patrol has not only proven to be a great asset to the people of Rockingham County but has created an emergency striking force to assist other departments in the entire county area. Of the stolen property recovered, the night patrol alone was responsible for recovering in excess of \$40,000. They were and are in constant demand by other agencies in the county, as well as being requested to give assistance to federal and state law enforcement agencies. We found that in most instances the night patrol units could reach any point for emergency assistance within a thirty minute period. This patrol was responsible for catching felons in the process of breaking into houses and places of business. They were responsible for the apprehension of dangerous felons who were wanted in several instances and many of our acts of assistance, to people in trouble, came from the officers of the night patrol. We feel that the men who are assigned to night patrol duty were good choices. They are men who respond with enthusiasm, they are neat, courteous and true representatives of our county and its people.

CROWD CONTROL UNIT - We still maintain our Crowd Control Unit for any emergency which may arise in our county. This

Unit has maintained its training practices and readiness for any emergency call. Most of the men in the Crowd Control Unit attended the recent school just completed. This Unit is under the command of Deputy Maurice Kierstead.

TRAINING - We are very fortunate to have Deputy Donald M. Herron in charge of our training program. He is a man of 24 years experience, having been Deputy Chief of the Maine State Police and Director of the Maine State Police Academy. In the field of training, I think the recent graduation held in Exeter of 150 capable men from 30 of our towns is an example of achievement. We offered the finest and latest in police training methods and courses. We feel that the problems of our modern day society require that all police personnel, at all levels of government, must receive proper training in order to properly serve the public. I would be remiss if I did not mention the many agencies at the federal and state levels which assisted in making our training program such a success. I refer to agencies such as the state conservation service, our Judges, our County Attorney, as well as agents from the F.B.I., the Drug Abuse Control Board, the Framingham Firearms Training School and the National Auto Theft Bureau. Our training program will continue, both at the basic fundamental level and eventually into the field of advanced police training, where deputies and officers will be given the opportunity to be trained in the real meaning of Constitutional Law, the changes in search and seizure and the changes in police interrogation and interviewing, which are being brought on by decisions handed down by our Supreme Court. It is our feeling that good cases make good law and badly prepared cases can result in decisions being handed down which have a tendency to handcuff the investigating officer.

In the year of 1967, we instituted a youth training program where our men are teaching junior and senior high school boys in various aspects of the field of law enforcement, such as the dangers of narcotics and drug abuse and the importance of our youth taking their place in a modern, fast moving world where technological changes have created problems. This program has two purposes - number one, to let the youth know that law enforcement wants to work with them, wants to assist them and that we also

need their assistance and cooperation. Secondly, we are in hope that many of these young men, after they graduate from their respective high schools, will continue into the higher echelon of police education in the fields of criminology, the study of human behavior, narcotics and drug abuse, to mention only a few.

We feel that the men who have come into the Department in the year of 1967 have brought with them experience, ability and a means of offering better service to our people. It has been gratifying in the year of 1967 to have been contacted by men of our federal agencies, asking us to assist them in investigations of a serious nature. It also has been rewarding to note the assistance given to our Department by several of our federal agencies. I must tell you that I have been pleased with the remarks made to me, not only by many of our people in Rockingham County, but by people at the high enforcement level in complimenting us on our operation and our training program.

In the closing of this report, again I want to offer my appreciation and sincere thanks to our County Attorney, Mr. Glen E. Graper, and to the many other law enforcement officers and agencies who have worked with us during the past year in our many undertakings. I am sure that without the cooperation and assistance of these people, we would not have been able to achieve what has been done.

Respectfully submitted,
George Sampson,
Sheriff

**ROCKINGHAM COUNTY
HOUSE OF CORRECTION AND JAIL
BRENTWOOD NEW HAMPSHIRE**

January 10, 1968

To The Honorable Board of Commissioners
Rockingham County
Exeter, New Hampshire

Gentlemen:

Having assumed duties as the Superintendent of the Rockingham County House of Correction and Jail the latter part of October 1967, I wish to submit this report of my activities and observations within this Institution.

Upon my appointment the services of the Rehabilitation Counselor, the Reverend Luther B. Pennington were dispensed with. Counseling is presently being done on a daily, as needed, basis with very favorable results.

I feel that in the coming year we will be able to expand this program to include some formal education for the high school drop-outs and other interested persons, religious orientation programs, including religious services, and a continuation of the Reverend Penningtons job orientation and job finding programs.

A set of Prison Rules and Regulations have been prepared and are presently awaiting printing at the New Hampshire State Prison. These rules will be furnished each prisoner upon his admittance to this Institution, and should be very beneficial in acquainting the prisoner with his responsibilities as an inmate, and of the assistance available to him while confined in this Institution.

Standing operating procedures are presently being prepared that explains the duties of the Prison Supervisors in detail. This will eliminate any question as to jail procedures and should standardize complete operational requirements.

Plans have been made and funds requested to provide a recreation program for the Institution.

All cells and tiers have been repainted and the jail interior presents a very clean and sanitary condition.

Also programed for the near future is new furniture for the prison television room.

I have been associated with prison work for the past twenty years, in all parts of the country and also in the military, and by comparison, I feel that this institution is one of the best I have been associated with. The food is excellent, the quarters comfortable, and the staff are efficient and dedicated to their work. This is due without question to the sincerity and efficiency displayed by our County Commissioners and Sheriff in their continuous concern regarding the operation and functioning of the institution. It is through their cooperation that we have been able to attain the standards we are now enjoying, and this certainly makes the Superintendents job much easier.

We will continue to seek any and all methods to further improve the institution, and it is with deep sincerity that I say "We have a Penal Institution in Rockingham County we can be proud of."

LEONARD F. ANDERSON
Superintendent

CHAPLAIN'S REPORT

To the Honorable Board of Commissioners of Rockingham County:

With the coming of March I will have served for two years as the Protestant Chaplain of the Rockingham County Home and Hospital. It is with a deep sense of gratitude for my restoration from the illness that kept me confined during the first of last year that I respectfully submit my report on this occasion.

Regular worship services on alternate Sundays have been conducted throughout the year. It has been apparent that much inspiration and help is derived from these occasions of sacred worship. Several have contributed to the effectiveness of these services from time to time, but none more faithfully or enthusiastically than the duet consisting of Mr. George F. Rogers and Mrs. Eugene S. Beless. In their six years of volunteer service in sacred music they have brought much cheer and hope to the people here at the home and hospital. Mrs. Beless also serves as the pianist for our services. This is a ministry which adds much interest and inspiration to these times of worship.

During visitations I have tried to meet the personal spiritual needs of the Protestant patients, especially in times of crisis. In attempting to meet this need I wish to take this occasion to thank the several other members of the clergy who supplement my service with theirs, I also wish to acknowledge the recent gift of "New Testaments With Psalms" made by the Middle Street Baptist Church of Portsmouth. These have been made available to my parishioners here.

My appreciation is also extended to the Superintendent and staff for their cheerful cooperation, which has added much enjoyment to my ministry.

Gratefully yours,
The Reverend Z. Richard Henley

CHAPLAIN'S REPORT

To the Superintendent and Commissioners of the Rockingham County Home and Hospital:

The following report is respectfully submitted, relating in substance to my pastoral care of Catholic patients and residents at the Rockingham County Home & Hospital from January 1, 1967 through December 31, 1967.

First in importance and pastoral concern, was the administration of the Sacrament of the Sick to terminal patients at Mitchell Memorial Hospital. The number of patients requiring this sacrament was twenty. The priests at St. Michael Church, Exeter, ably rendered assistance in this religious activity to assure adequate coverage.

Each month of the past year, the Sacraments of Penance and Holy Eucharist were administered to patients and residents, requesting this religious care. The average per month of penitents and communicants at the Hospital and Home was thirty during this reporting period.

In addition, pastoral visitations were conducted both to patients and residents at the Home and Hospital. These extra visits average twice monthly. On occasion of these visits, rosaries, medals, and small calendars were sometimes distributed.

Again, on five or six other instances, inmates from the Rockingham County Jail contacted me at the Hospital for Confession and Holy Communion. Similarly, I rendered counseling services to inmates at the same institution, approximately the same amount of times.

In closing this summary of pastoral activities, I would end on a note of unsolicited tribute to the administration, staff, nurses, attendants and employees of the County Home and Hospital for their devoted care exhibited toward patient and resident alike and the pleasant and kindly cooperation accorded me.

Sincerely,

Rev. L. A. Langevin, Pastor

ROCKINGHAM COUNTY COOPERATIVE EXTENSION SERVICE AGENTS COMBINED REPORT — 1967

Cooperative Extension as conducted in Rockingham County is the branch of the University of New Hampshire which conducts informal, off-campus education for both adults and youths. This is a cooperative effort by Federal, State and local governments to bring the knowledge on which Cooperative Extension's educational work is based to the people of the County. The basic programs are directed by an Advisory Council comprised of 12 local persons, three representing each branch of Cooperative Extension work plus a representative of the County Delegation.

AGRICULTURE

The agricultural program presented through the Cooperative Extension Service has undergone extensive revision to meet the needs of the agriculture presently in the county. In spite of the publicity indicating that agriculture is going out, Rockingham County still is the second leading county in Agricultural income in New Hampshire.

Dairy is still the leading enterprise with over 100 herds averaging 40 head per herd. Poultry while curtailed drastically, over the past 15 years, is second of the agricultural enterprises in gross income for the county. Increasing in acreage are the fruit enterprises which are branching out both by increasing size of present orchards and in planting of new orchards. Small fruits are increasing in acreage, strawberries and high bush blueberries showing the largest increase.

In addition to these three main enterprises the Agricultural Agent is responsible for information pertaining to any phase of agricultural pursuits in the county whether of commercial or home owner nature.

The Agricultural Agent is also an officer or ex-officio officer of the other U.S.D.A. Agencies presently working in the County. Programs other than strictly agricultural also are the responsibility of the Agricultural Agent, such as the Rural Areas Development, Beautification, Conservation, Rural Civil Defense programs, and a weekly radio program for the office.

The Agricultural Agent is also designated as office manager for the Cooperative Extension Service here in the County. These duties include assisting the Cooperative Extension Service Council in the preparation and expenditure of the annual budget; supervision of the clerical assistance; and assuming the responsibility of procuring and maintaining satisfactory office equipment.

HOME ECONOMICS EXTENSION WORK

During 1967 there were 517 meetings held with 10,145 participants. Local volunteer leaders went to 6 training schools and in turn extended the information received through 226 meetings with 3,222 attendance. They deserve much credit for their con-

tribution. The professional staff, one full time Home Economist and a part-time one for 143.5 days, held 268 meetings with 6318 people. County Advisory Council members and local organization leaders also attended 17 meetings to plan the county program and advise the Home Economists during the year. Guest speakers and State Cooperative Extension Service staff members assisted with the program.

The subject matter emphases were: consumer competence, family stability, health, housing, and community and resource development. The projects were Nutrition Facts for Moderns, Convenience Foods, Vegetables Gourmet, Ceylon (I.F.Y.E. Exchange Program), Herb Culture, Home Safety, Family Protection in Emergencies, Household Pesticide Safety, Cancer Dressing Manufacture, and Education of Exceptional Children.

Clothing program concerned: Clothing Selection, Construction and Care, Pattern Fitting, Fabric Selection, and Use & Care of Sewing Machine & Attachments. Those in Home Management featured: Money Management, Wills & Deeds, Retirement Housing, Do-It-Yourself Building Clinics, Floor Selection, and Consumer Education. Home Horticulture, Civic Beautification, Home Furnishings: Selection & Maintenance, and Human Relations (Understanding Teenagers, Family Communication, and Child Guidance Series) were other topics of interest to Rockingham County homemakers.

In the field of community & Resource Development, the work included conception, motivation and organization of the Rockingham Craftsmen's group to investigate the potential of marketing handcrafted articles and services produced by both men and women in the county. Cooperative marketing was done at four fairs plus an analysis of potential markets inside and outside the county and an analysis of workmanship of the producers. The group has elected a full slate of officers for 1968 and organized four Committees: Membership, Standards, Marketing, and Publicity. The Chairmen of these 1967 committees have pioneered in a new field with success, and deserve commendation. The project alone has brought in new cooperators to Cooperative Extension Service and met its objectives plus a bonus of developing human

resources among county residents.

In this fast growing area citizens have also requested information on zoning, tax assessment, conservation, town affairs, public education policies, library, and public health facilities. The aid of qualified personnel outside Extension is acknowledged in this field. County and town organizations have provided speakers and tours as means of education for adults.

The Extension Home Economics program of work provided varied methods for interested people: subject matter meetings in communities at Home Economics Extension group meetings monthly and series workshops by districts. These offer depth in some one topic as Home Furnishings Maintenance, Clothing Construction, and Child Guidance. Other methods were tours, an encampment, exhibits, training schools, and special interest area meetings, plus 660 individual consultations by telephone, letters, home visits, and office calls. Some 452 consultations were also held with groups or their representatives to provide information, guidance, and advice on problems of their organization. Newspapers published Extension articles in home economics. On request 10,114 bulletins were distributed plus 90 circulars to 29,923 people. This was a new high for circulars.

Station WKXR made possible 275 broadcasts in Home Economics through a daily, 4 minute Family Living Report and Rockingham Echoes on Saturday monthly, compared with 16 programs in 1966.

The county women gave two Williamson-Babb Scholarships of \$200.00 each to Catherine Duston of Hampstead and Gale Nutter of Salem. The purpose was to encourage girls majoring in Home Economics. The Home Economics Extension groups also made contributions to the I.F.Y.E. program, Cancer Society, County Home, Great Bay School, Rockingham School, Crotched Mt. and Portsmouth Rehabilitation Centers to further community resource development.

The Extension Home Economist was asked to serve as County Coordinator for University Extension. The U.N.H. is seeking to enlarge its outreach and services off campus via the Merrimack Valley Branch in Manchester particularly, and other means.

Training was received and work has begun on this new service.

4-H REPORT FOR COMMISSIONERS 1967

4-H YOUTH DEVELOPMENT WORK

4-H offers "A World of Opportunity" for youth 9-19 and adult leaders 18-88. There are 4-H clubs in all 37 communities of the county. The 192 clubs and project groups are guided by 316 adult volunteer leaders and 236 junior leaders. When some people think of 4-H, they picture animal projects. In reality, out of a total project enrollment of 3348, only 198 were the animal projects - Dairy, Sheep, Beef, Pig, Rabbits and Poultry, plus 266 Horse projects and 29 in Dog Care and Training. There are as many urban members as farm. The number of different boys and girls enrolled in Agricultural projects (Animal, Horticulture, Conservation & Forestry) was 699, Home Economics projects - 1471, Projects other than Agriculture and Home Economics - 1178. This includes Mechanics, Arts and Crafts, Citizenship, Health & Safety, Photography.

Rockingham 4-H Members excelled in all contests in 1967. State Top Honors were won in Dairy Judging, Poultry Judging, Demonstrations in Poultry Science and use of Poultry Products, Livestock Judging, Horticulture Judging, and State and National Honors in Market Gardening. Eleven members won State project honors and trips to the National 4-H Club Congress in Chicago. Our Forestry winner was both State and Sectional winner.

Ninety six Rockingham County 4-H members won out-of-state trips in 1967. Over 1000 other members took part in tours to museums in Boston, trips to the White Mountains, Navy Yard, Pease Air Force Base, Strawberry Banke, U.N.H., etc. We also had an IFYE delegate go to the United Kingdom. Four hundred thirty

two boys and girls attended 4-H camp.

4-H members have real work experience in their projects, widened horizons and new experiences through tours and trips, mixed with lots of fun and new friends.

4-H is "A World of Opportunity."

FOREST RESOURCE DEVELOPMENT

In fiscal year 1967 the County Forester and his assistant serviced 89 requests from landowners that had not received forest management assistance previously and 342 requests from landowners that are following a scientific forest management program. These 431 landowners were given recommendations for 14,866 acres of forest land. Timber type maps with specific management recommendations for improvement cuttings, timber stand improvement, pruning, planting, access road location, site preparation, and marketing were written for 26 landowners on 1,458 acres. These long range plans will serve as a guide to the owner in the orderly development of his forest resource.

We marked 720 thousand board feet of timber on private ownerships for commercial harvest. The area on which the timber was marked totaled 299 acres, indicating a harvest per acre of 2.4 thousand board feet. The silvicultural method of harvest varied with the timber type, age class, terrain, amount of natural regeneration established, and the needs of the landowner.

A total of 1 million and 84 thousand board feet of previously marked timber was harvested under sound forestry practices in fiscal year 1967. The total value of forest products harvested with our guidance equaled 17,767 dollars. The annual cut of softwood and hardwood sawlogs in Rockingham County averages 18 million board feet per year. This indicates that we have a tremendous challenge in the future to convince landowners to harvest their timber using sound cutting principles.

The forester and his assistant examined and approved 444 acres of weeding and thinning and 55 acres of pruning that was com-

pleted by six contractors on private woodlots in the county. The foresters located 15,700 feet of forest fire access road, jointly with the Soil Conservation Service, for construction on private woodlands.

We participated in 41 group type demonstrations, tours, and programs. Twenty-five radio tapes were prepared for the Extension Service radio program "Rockingham Echos."

In keeping with our policy to conduct more group programs, another series of landowner training sessions are being conducted in cooperation with the Hillsboro County Forester and the Director of the Beaver Brook Association. A recent tour of a sawmill and flood control project in Hillsboro County attracted nearly one hundred people, many of whom were from Rockingham. A tour of a Rockingham County forest products industry and a wildlife management project on a private woodlot will be conducted in the immediate future.

Due to an increased awareness of forest conservation principles by landowners in the county, the workload has increased substantially. To meet this increased demand, the State Extension Forester hired an assistant to work an additional five months in the county. Federal funds were utilized to pay for this additional assistance in the county.
